About SEGi

Malaysia, Truly Asia.

Malaysia is a truly multicultural and multi-lingual country where 30 million people from diverse backgrounds live together in harmony. It is a unique place; a country where 3,000 years of history, modern skyscrapers, and green jungles meet. Today, the Group is one of the largest private higher education providers in Malaysia.

**About SEGi**

In 1977, SEGi began its journey by providing professional qualifications in Malaysia. Since then, SEGi has successfully established itself as the country's leading private university college, complemented by its own research council and the SEGi Press.

SEGi provides industry driven programmes from the Faculties / Schools of Medicine, Optometry & Vision Sciences, Dentistry, Pharmacy & Allied Health, Business, Administration & Economics, Design, Hospitality & Tourism, Education & Social Sciences, and Foundation Studies & Postgraduate Studies. All SEGi programmes have focused on making graduates from diverse backgrounds with exceptional foundations for career achievement and personal success. SEGi dates back to 1977 when graduates from diverse backgrounds with exceptional foundations for career achievement and personal success.
