Subsidy & Fee Waivers Available \*

\*terms & conditions apply

# THE TOUCH OF COMPASSION INITIATIVE

THE SEGi TOUCH OF COMPASSION INITIATIVE IS HERE TO HELP YOU ACHIEVE YOUR DREAM

For many students in the B40 income group, the path after SPM is filled with tough choices: should they pursue their education to improve their quality of life, or work to support their families? We understand the challenges - tuition fees, accommodation, transport costs - all while trying to break free from the cycle of poverty.

No one should have to choose between education for a better life or a job to make ends meet. The SEGi Touch of Compassion Initiative is designed to help you overcome financial barriers so you can follow your dreams and change the fate of your family forever.

## COVERING SHORTFALL OF PTPTN

PTPTN doesn't cover 100% of tuition fees. This initiative provides an additional EduLoan at 1% interest to cover remaining fees, just like PTPTN.

## ACCOMMODATION PROVIDED

Accommodation near campus with necessary amenities is provided, making it easier for students from rural areas to focus on their studies.

## JOB OPPORTUNITY PROVIDED

Our career office is connected with over 300 industry partners, providing job opportunities for deserving students.

## MONTHLY ALLOWANCE

Students will receive a monthly allowance to help subsidize their living expenses during their studies.

## UP-FRONT CASH SUBSIDY

A one-off subsidy helps students move from their hometown to campus, easing the burden of relocation.

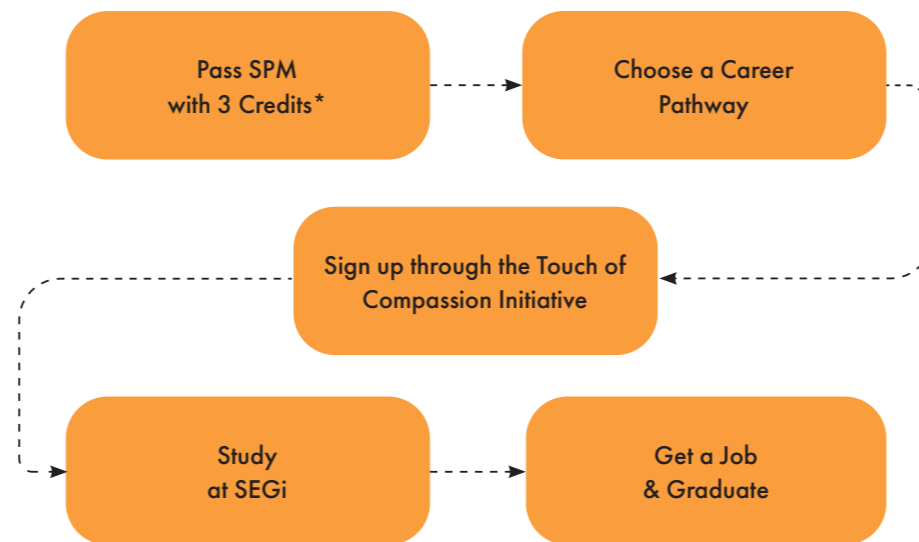

## PAY NOTHING UNTIL YOU GRADUATE

This initiative aims for students to complete their education without financial stress, with repayments starting only after graduation.

# NO MORE EXCUSES: 3 SPM CREDITS\* IS ALL YOU NEED TO ACHIEVE YOUR DREAMS!

With the Touch of Compassion Initiative, all the barriers are removed - whether it's financial challenges, accommodation, or travel costs - we've got you covered. You can now choose your career path, study at SEGi University & Colleges, and work towards your dreams.

Pursue your studies without the stress of financial burden and take the first step toward a fulfilling future! All it takes is 3 SPM Credits\* to begin!
